

MAGICOOL

Magicool® Pump4P

As a professional OEM manufacturer in Computer liquid cooling area, Magicool®'s product line covers all liquid cooling components, especially different size of heat exchangers, water tanks, pumps, cooling blocks and accessories. Excellent price-performance ratio and reliable quality make Magicool® products unique.

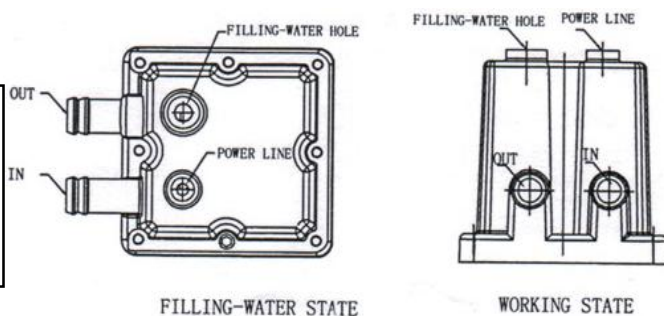

The silent Magicool Pump4P is highly efficient and perfect for small water cooling loop. Having been mounted by double side adhesive decoupling foam pad, you can hardly notice its working. Along with its small dimension and 4 pin power connector it can be easily installed inside almost every Computer case.
